

CEE Tiers 1, 2, & 3 and ENERGY STAR® Most Efficient Standard-Sized Refrigerators Eligible for Efficiency Vermont Rebate through 6/30/2018**

*One rebate per Vermont electric account per year.

**Efficiency Vermont rebates are evaluated on a regular basis to determine if program can continue for next cycle.

Efficiency Level	Percent More Efficient than Federal Standard	Efficiency Vermont Rebate
Federal Standard	0	n/a
ENERGY STAR/CEE Tier 1	10	\$40
ENERGY STAR Most Efficient 2018* /CEE Tier 2	15	\$75
CEE Tier 3	20	\$75

*All ENERGY STAR certified top-freezers will now be recognized as ENERGY STAR Most Efficient and receive a \$75 Efficiency Vermont rebate, even if they are <15% more efficient than the federal standard. The ENERGY STAR Most Efficient designation is supporting top-freezers because they have significant energy savings over other configurations such as bottom freezers or side-by-side.

Qualifying Models

Updated 12/28/2017

For most up-to-date list of qualifying products, please visit efficiencyvermont.com

¹Asterisks (*), plus signs (+), or pound signs (#) indicate that any variable may be used in place of the symbol

²All products will be listed as eligible *until the end of the current rebate cycle*, unless a model is delisted. Following delistment, the following month's Qualified Product List will list a new 'For Purchases Made Before' submission deadline for the delisted model.

Indicates recently discontinued model			Indicates recently delisted model		Indicates newly added model or criteria
