**LARGE GENERAL SERVICE, OPTIONAL TIME-OF-USE (LT) RATE
(LT Page 1 of 3)**

Availability

This rate is available upon written request to large general service customers who agree to take service hereunder for a period of not less than 12 months.

All power and energy furnished to the customer shall be under this rate and it will be supplied at one point of delivery unless more than one service or meter is installed for the convenience of Burlington Electric Department (BED).

This rate is not applicable for temporary, standby, resale or shared service.

Character of Service

Alternating current, 60 Hertz, at the standard utilization voltage.

Monthly Bill

The monthly bill will consist of a customer charge, a seasonal time-of-use demand charge, and a seasonal time-of-use energy charge as defined from month to month. For customers whose monthly demand does not exceed 25 kilowatts during any of the previous 11 months, a \$32.24 per month customer charge will apply. For customers whose monthly demand exceeds 25 kilowatts during any of the previous 11 months, a \$51.60 per month customer charge will apply.

Billing Demand

The On-Peak Billing Demand in kilowatts shall be the greater of the following:

- a) The greatest number of kilowatts in any fifteen-minute period occurring in the current on-peak period, or;
- b) Fifty percent (50%) of the highest fifteen-minute peak that occurred during the on-peak hours of any of the most recent Summer Peak months (June through September) that fall within the previous 11 months.

The Off-Peak Billing Demand shall be the number of kilowatts equal to the greatest fifteen-minute peak occurring in the current month's off-peak period.

Power Factor Adjustment

Customers shall maintain a power factor of 90% or higher under ordinary load conditions. For each 1% by which the average monthly power factor lags below 90%, the demand charge for that month shall be increased by 1%.

Late Payment Charge

Payment for service under this rate is payable on presentation of the monthly bill. If payment is not received by BED on or before the next monthly billing date, a late payment charge of 1% shall be imposed upon the unpaid balance, including any prior unpaid late payment charges. The late payment charge shall be assessed on such unpaid balances once each month after it is initially imposed on an unpaid balance, so long as a balance remains unpaid.
